## **CONDITIONS FOR RGA PENNANT COMPETITION 2023**

1. Each club is to enter three teams of five players into the RGA Pennant Competition.
2. Teams must always be selected in exact handicap order (a player on 7.6 must be picked in a team before a player on 7.7). Once the teams have been established in correct order the playing order within the team is determined by the captain.
3. Teams must be written into score books by captains and books exchanged before teams are written up for public viewing.
4. During the minor round the honour will be decided by a coin toss. The honour is then decided by the winner of the previous hole.
5. All matches in all grades are to be played "off the stick".
6. To be eligible to compete in a pennant match a player must be a bona-fide member of the club he represents. This means he must be eligible to participate in the Club Championship.

## **HIT OFF TIMES**

7. It is recommended that teams begin hitting off at 11 o'clock with A grade hitting off on tee one and B grade hitting off tee ten.
8. C grade can then be spread across both tees or an agreed to alternative. This is a recommendation only and clubs can vary times and orders by agreement.

## **RESULTS**

10. The home team has the responsibility of returning the team result forms to the Riverland Golf Association by 12 noon on the Tuesday following the match by post, email, fax or hand delivery. Greg Morrison is the relevant officer and his details are:

Postal Address: 2 Ral Ral Ave, Renmark, 5341

Fax: 85866787

Email: [morrisong@banksa.com.au](mailto:morrisong@banksa.com.au)

## **FINALS - ELIGIBILITY FOR FINALS**

11. A player must play three of the six minor round games to qualify to play in the finals.
12. Each club that qualifies for a final must submit their playing list for all grades in exact handicap order to the RGA officer responsible for pennants at least two days prior to the final. The actual handicaps must appear on this list.
13. In finals the team finishing higher in the minor round will be accorded the honour on the first hole played.

## **LOXTON GOLF CLUB - RULES CORNER**

### **20 MUST KNOW GOLF RULES CHANGES FROM JANUARY 2019**

1. Drop from knee height (NOT shoulder height)
2. Measure the area to drop in with the longest club in your bag (except a putter)
3. Drop in and play from the relief area
4. When dropping back-on-the-line, your ball cannot be played from nearer the hole than your chosen reference point
5. Time to search – 3 minutes (NOT 5 minutes)
6. If you accidentally move your ball when searching for it, replace it without penalty
7. No penalty for a double hit – it only counts as one stroke
8. No penalty if your ball hits you or your equipment accidentally after a stroke
9. No penalty if your ball strikes the flagstick when you have chosen to leave it in the hole
10. Spike mark and other shoe damage on the putting green can be repaired
11. Ball accidentally moved on putting green – no penalty and replace
12. Ball marked, lifted and replaced on putting green is moved by wind to another position – replace ball on the original spot
13. Penalty areas replace water hazards, and you can move loose impediments, ground your club and take practice swings in penalty areas without penalty, just as you can on the fairway or in the rough

14. You can't take relief from a penalty area unless you are at least 95% certain your ball is in the penalty area
15. In bunkers you can move loose impediments
16. In bunkers you cannot touch the sand with your club in the area right in front of or right behind your ball, during your backswing or in taking practice swings
17. Free relief is allowed if your ball is embedded on the fairway or in the rough (but "embedded" means that part of your ball is below the level of the ground)
18. Unplayable ball in bunker – extra option to drop outside the bunker for 2 penalty strokes
19. You cannot have your caddie or your partner standing behind you once you begin taking your stance
20. Pace of Play - it is recommended that you take no longer than 40 seconds to make a stroke (and usually you should be able to play more quickly than that) and Ready Golf in stroke play is encouraged.

## **NOTICE BOARD & LOCAL RULES**

Members are requested to take notice of information posted on the notice board, and should be conversant with such information before commencing play. Local Rules of Play are available and some are those printed on the score cards and those that appear on the Notice Board and Local Rules Sheet from time to time.

# GOLF'S NEW RULES: STROKE AND DISTANCE

A new Local Rule provides an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds, effective January 1, 2019.

## BALL OUT OF BOUNDS

If the Local Rule is in effect, you can still take stroke-and-distance relief, but you now have the following additional option that comes with a penalty of two strokes:

**A** DETERMINE SPOT where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).

**B** FIND NEAREST FAIRWAY EDGE no closer to the hole.

## LOST BALL

**C** DROP YOUR BALL IN SHADED AREA as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B, and not nearer the hole. The relief area is extended on both sides by two club-lengths.

This Local Rule is not intended for higher levels of play, such as professional or elite amateur level competitions.
