**FINAL**

Sunday 24th May to be played at LOXTON.

## **CONDITIONS FOR RGA PENNANT COMPETITION 2026**

1. Each club is to enter three teams of five players into the RGA Pennant Competition.
2. Each club plays the other three clubs on two occasions.
3. All teams play at the one course. Waikerie are to be given home games at Waikerie and Swan Reach. This means that Waikerie and one other club will have a home and an away game against each other but that the other two teams will play their second game on a neutral course. This inequity is to be balanced over the following seasons. In 2023 Berri had the two home games, in 2024 Loxton, in 2025 Barmera. The Grand Final is counted as a home game. Hence in 2026 it is Berri's turn to have two home games with Loxton and Barmera having only one home game and one neutral venue.
4. Teams must always be selected in exact GA handicap order (a player on 7.6 must be picked in a team before a player on 7.7). Once the teams have been established in correct order the playing order within the team is determined by the captain.
5. Teams must be written onto team sheets by captains and exchanged before teams are written up for public viewing. Captains to enter results and sign off on result sheets. HOST club representative is responsible for forwarding the result sheets (These maybe photos of Score board transferred electronically) to Greg Morrison (Email: gimorrison19@gmail.com or 0498846992)) by the Tuesday following the match.
6. During the minor round the honour for hitting off on the first tee is decided by a toss of the coin. The honour is then decided by the winner of the previous hole
7. All matches are to be played out. (i.e: no halves)
8. Matches are to be played in groups of four (For Round One

:a Loxton vs a Berri and a Waikerie player vs a Barmera player in each group.-) In all grades the four number ones play together, as do the number twos etc, The A grade-hit off Tee 1, B grade -use tee Tee 10, C grade can be split over Tees 1 and 10 or an alternative at the host club's discretion.

9. Matches in grand finals will revert to pairs.
10. The recommended hit off time for pennants is 11am.
11. Finals - The top two teams for each grade at the end of the minor round go straight into the Grand Final.
12. Eligibility for Finals: A player must play three of the six minor round games to qualify to play in the finals.
13. Each club that qualifies for a final must submit their playing list for all grades in exact handicap order to the RGA officer responsible for pennants (G Morrison) at least two days prior to the final. The actual handicaps must appear on this list.
14. In finals the team finishing higher in the minor round will be accorded the honour on the first hole played.

3. Drop in and play from the relief area
4. When dropping back-on-the-line, your ball cannot be played from nearer the hole than your chosen reference point

7. No penalty for a double hit – it only counts as one stroke
8. No penalty if your ball hits you or your equipment accidentally after a stroke
9. No penalty if your ball strikes the flagstick when you have chosen to leave it in the hole

20. Pace of Play - it is recommended that you take no longer than 40 seconds to make a stroke (and usually you should be able to play more quickly than that) and Ready Golf in stroke play is encouraged.

## GOLF'S NEW RULES: STROKE AND DISTANCE

A new Local Rule provides an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds, effective January 1, 2019.

### BALL OUT OF BOUNDS

If the Local Rule is in effect, you can still take stroke-and-distance relief, but you now have the following additional option that comes with a penalty of two strokes:

**A** DETERMINE SPOT where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).

**B** FIND NEAREST FAIRWAY EDGE no closer to the hole.

### LOST BALL

**C** DROP YOUR BALL IN SHADED AREA as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B, and not nearer the hole. The relief area is extended on both sides by two club-lengths.

This Local Rule is not intended for higher levels of play, such as professional or elite amateur level competitions.
